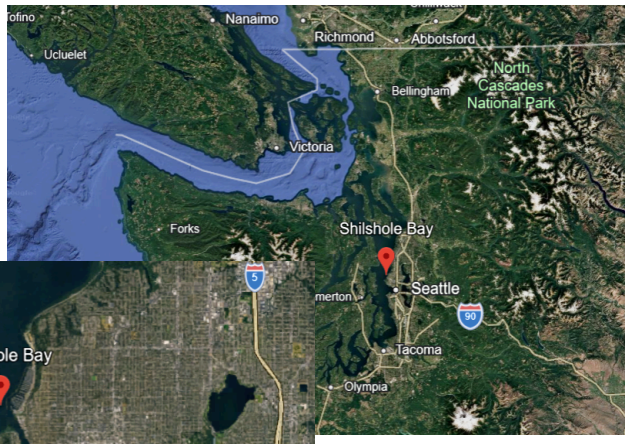
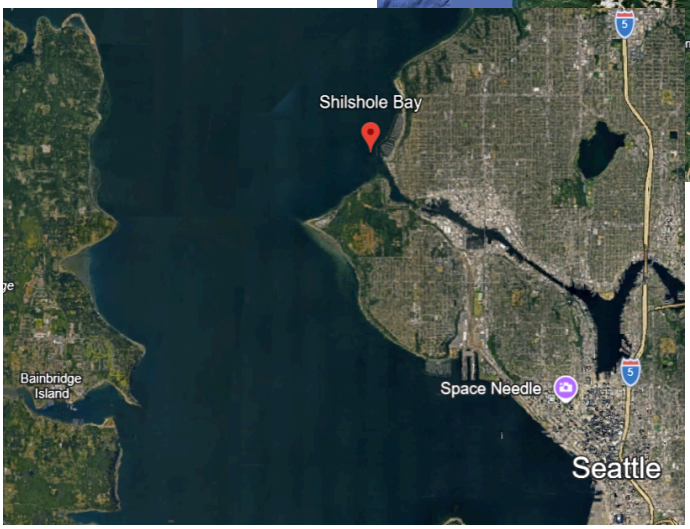
Shilshole Mission Plan




The Shilshole Mission aims to deploy sg194 and sg195 off of the R/V Welander in the Student Seaglider Center's first two glider deployment. The deployment is set for April 5th, 2024 with a same day recovery. The R/V Welander will retrieve the glider. This mission will take place in Shilshole Bay (Puget Sound, WA, USA). The deployment will be led by Katie Kohlman and the recovery will be led by Caleb Flaim.
