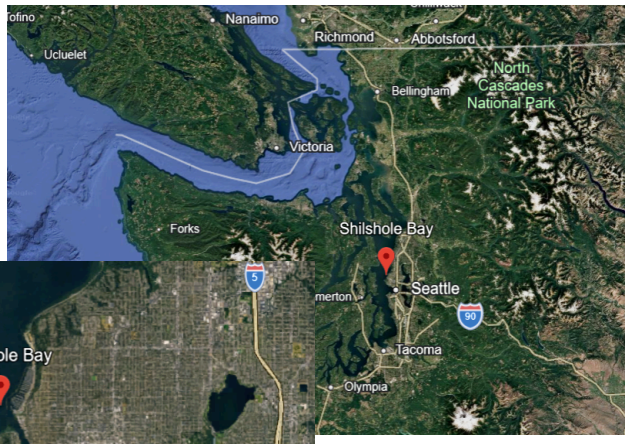
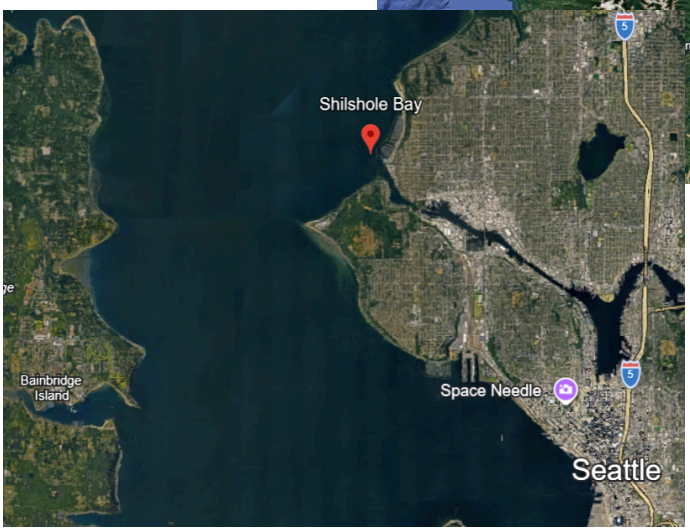
Shilshole Mission Plan




The Shilshole Mission aims to deploy sg195 off of the R/V Rachel Carson. The deployment is set for May 15th, 2024 and the recovery is set for May 16th, 2024. The R/V Welander will retrieve the glider. This mission will take place in Shilshole Bay (Puget Sound, WA, USA). The deployment will be led by Katie Kohlman and the recovery will be led by Caleb Flaim.
